USER FEEDBACK:

- Layout 1 (Purple Theme):
 - Soft and attractive color scheme.
 - Less contrast for text readability.
- Layout 2 (Green Theme):
 - Fresh and vibrant look.
 - Background slightly strong.
- Layout 3 (Blue Theme):
 - Clean and professional design.
 - Excellent readability and balance.

FINAL RECOMMENDATION:

Preferred Layout: Layout 3 (Blue Theme)

Reason: Best usability, readability, and user satisfaction.

RESULT:

A product card UI with multiple color variations was successfully designed and evaluated. The blue-themed layout provided the best usability and visual appeal.
